Experience

Chief Operating Officer

Jun 2026 – Present

DevHatch Labs

- Lead development teams building full-stack web applications (Next.js, React, Flask) and integrating AI features into production systems

Web Developer Intern

May 2026 – Jun 2026

Afynix Digital

- Built React-based e-commerce and dashboard applications with real-time API integrations

Machine Learning Intern

May 2026 – Jun 2026

SAM AI Technologies

- Built classification models for fraud detection and sentiment analysis using Scikit-learn

Machine Learning Intern

Aug 2025 – Sep 2025

Elevvo Pathways

- Delivered 7 ML projects spanning regression, classification, and time-series forecasting with 90%+ accuracy

Projects

EventSphere Pro – React, Flask, PostgreSQL, JWT, Docker

Full-Stack Event Booking Platform

- Multi-role booking platform with seat-locked bookings, JWT + CSRF-protected auth, and 11 passing automated tests

StockFlow AI – Next.js, Flask, Redis, Docker, Groq

AI-Powered Inventory SaaS

- Deterministic demand forecasting with AI-generated narrative insights; 42 backend tests, full CI/CD pipeline

PaperMind AI – Next.js, Flask, Groq, RAG

RAG-Powered Document Q&A

- Retrieval-augmented Q&A tool with local embeddings and page-cited, grounded answers

High-Cost Patient Prediction – XGBoost, LightGBM, Scikit-learn

Softtec 2026, FAST-NUCES

- Ensemble model with 336 engineered features predicting high-cost healthcare members; 0.825 recall

UoL AI Assistant – Flask, Groq Llama 3 70B, MySQL

Top 10, GenAI Hackathon 2026

- Bilingual (EN/UR) AI assistant with voice I/O, role-based responses, and offline fallback mode

ASL Sign Language Recognition – TensorFlow, Keras, OpenCV

- CNN model for real-time American Sign Language classification via CLI, upload, and live webcam

Education

BS Computer Science

2024 – 2028

University of Layyah

CGPA: 4.0/4.0

Achievements & Certifications

- Top 10**, South Punjab Generative AI Hackathon 2026 – UoL AI Assistant
- 2nd Position**, ICS, BISE DG Khan; **CM Merit Award**, Govt. of Punjab; **E-Scotte Scholarship**, BISE Multan
- 26+ certifications – Google, Kaggle, DataCamp, AWS, HackerRank (ML, Cloud, Prompt Engineering, Data Science)
